Dear Sir/Madam:

Greetings!

With all the technicalities and specific needs that came with the implementation of the K to 12 program in the Philippines, it is imperative to ensure that our teachers are qualified and are equipped with the essential skills and knowledge that are demanded of them. This is where Excel Technical Skills and Career Center can help you.

We would like to offer you the following training courses, specific for the Computer Programming ICT specialization under the Technical-Vocational-Livelihood (TVL) Track, in affordable price, as seen thru the attachment.

Please feel free to contact us for any questions or inquiries.

Thank you and God Bless!

Respectfully yours,

Raphael De Castro  
Training Administrator
